Progress Reports

Accreditation

C3 College offered an accredited associate's degree through Southeastern University beginning with the 2016-2017 school year. In 2017-2018 we will offer a bachelor's degree as well.

Enrollment

The team is working on various programs that we would like to offer our student body such as the possibility of a certificate only program and having adult classes through Southeastern University. We believe that by having more programs in place, C3 College will provide opportunities to a larger portion of the population who are seeking academic degrees coupled with ministry experience.

Dream Team Involvement

C3 College offers serving opportunities through Dream Team 4.0. Some of these will include, but are not limited to: events team, fundraising team, mission's team, mentor team, placement team and classroom team.

Scholarships

This year three students received scholarships. Without these scholarships, these students would not be able to take part in the College. We are hoping to have more scholarship funds available in the future so that any student who feels called to ministry can find a place at C3 College.

Connection Opportunities

C3 College Dream Team

Join the C3 College Dream Team through Dream Team 4.0. Be a part of our college students' experience through supporting the ministry by using your gifts and talents in the areas of event planning, fundraising, hosting, mission experience, mentoring, post-college job placement and facilitating/overseeing classroom time.

Chapel

Attend one of the monthly chapel services held throughout the semester. These are the third Thursday of every month from 3:00-4:00pm in the Conference Center.

Vision Gap

Endowment and Financial

We have received \$9834 to fund the various C3 College projects. Supplying the Church with trained ministry leaders to fulfill the Great Commission, upfitting classroom space, offering housing at a reduced cost, and supporting fundraising initiatives by the students presents an opportunity to invest \$193,000.

Wins

Graduates

This May we graduated six second year students from the C3 College ministry program. Four of these completed their Associates Degree in Ministerial Leadership through Southeastern University.

Enrollment

We currently have 7 students enrolled for the 2017-2018 school year and are expecting a total of 10 students. Our goal is to have 50 students by the 2019-2020 school year.

Post-Graduate Placement

Of our six graduates, three will be continuing in ministry opportunities at C3. One will be going on staff with World Help, a missions organization out of Lynchburg, VA. Two of our graduates will be continuing their education.

Pray for the students who are returning for their second year. Pray that they will continue to hear God's voice as it relates to their calling and future plans. Pray for those who are planning to start the college as first years in the fall. Pray for their resolve and determination to allow God to have full control of their experience. Pray for those students who are still prayerfully considering being a part of the College in the fall. Pray that those God is calling to join the student body heed His call and walk in obedience.

Dream Team

Pray for those with an interest in the college who are attending Dream Team 4.0 each month to take a step of faith and join the team.

Mission Trip

Please pray for opportunities for both the stateside and international trip for the 2017-2018 school year. Pray that these trips would be effective in not only offering mission trip experience, but in ushering in life change for each participant.
