Wins

Guatemala

Following Pastor Matt's visit with the President of Guatemala and his leaders, we were able to send a team of our very own interns and leaders. While there they were able to IMPACT the community by building a home, throwing a VBS for the local children, and partnering with Hope of Life to Rescue endangered children in that region. I asked one of our team leaders, Anisa Larson, to share one of her experiences with us. I hope this testimony touches you, as it did me:

"Guatemala mission trip was filled with God moments from having the first ever Bible school for close to 150 kids and their mothers, to being able to help finish building and dedicating a home for the pastor of a village to being part of a baby rescue. The baby rescue was for a 16 year old who weighed only 33 pounds. Because our team was in place working on the pastors home, the grandmother was able to hear about Hope of Life and ask for help. In one day she was transported down the mountain to Hope of Life hospital where she received nutrition and medical care. And after 2 days of care our team received huge smiles from the same girl who we didn't know if she would even survive the trip down the mountain."

Prayer

Guatemala

Pray for our leadership as we consider future opportunities partnering with Hope of Life.

Canada

Pray that the seeds planted during the first ARC Conference will continue to grow and IMPACT new communities for Christ.

Netherlands

As I write you, Pastor Matt and Martha are in Amsterdam. Please pray for their protection and safe return. Also, pray for divine connection opportunities as they partner with these pastors and leaders to IMPACT the world.
