College Lane Report - March 2017
C3 Staff Leader: [Sarah Buss](#)

New Vision Projects

Classroom Development

Specifics: Redeveloping existing modular unit space to develop a classroom space for C3 College students to utilize on weekdays for study hall, Ministry Life seminars as a common area for meetings and to store belongings.

Cost: \$5,000

Mission Account

Specifics: Create a fund to help motivate participation as students to fundraise for their Spring mission trip. This account would be used to match the monies they raise. Matching would begin after the individual student raised the initial \$1,000. After that, each \$500 raised by the student would be matched using this account.

Cost: \$10,000

Billy Hornsby Scholarship Fund

Specifics: This scholarship fund will be used to award 10 student scholarships to C3 College. The scholarship will cover their C3 College expenses. Per student sponsorship cost is \$2,800.

Cost: \$28,000

Housing Facilities

Specifics: C3 College's goal is that each student would be offered the experience of living independently for the two years they are a part of the program. Purchasing, building or renting out a housing facility would offer students a place to live, at a reduced rental rate, for the time they are in the college.

Cost: \$150,000

College Lane Report – March 2017

Progress Reports

Accreditation

C3 College offered an accredited associate's degree through Southeastern University beginning with the 2016-2017 school year. Our goal is to one day also be a site for a bachelor's degree.

Enrollment

The team is working on various programs that we would like to offer our student body such as the possibility of a certificate only program and being a site for the bachelor's degree through Southeastern University. We believe that by having more programs in place, C3 College will provide opportunities to a larger portion of the population who are seeking academic degrees coupled with ministry experience.

Dream Team Involvement

For the first time in C3 College history, members of C3 Church will be given the opportunity to serve the College in various ways. C3 College will offer serving opportunities through Dream Team 4.0. Some of these will include, but are not restricted to: events team, fundraising team, mission's team, mentor team, placement team and classroom team.

Scholarships

Since the start of the school year, three students have received scholarships. Without these scholarships, these students would not be able to take part in the College.

Connection Opportunities

C3 College Dream Team

Join the C3 College Dream Team through Dream Team 4.0. Be a part of our college students' experience through supporting the ministry by using your gifts and talents in the areas of event planning, fundraising, hosting, mission experience, mentoring, post-college job placement and facilitating/overseeing classroom time.

Chapel

Attend one of the monthly chapel services held throughout the semester. These are the fourth Tuesday of every month from 2:30-3:30pm in the Conference Center.

College Lane Report – March 2017

Vision Gap

Endowment and Financial

We have received \$4384 to fund the various C3 College projects. Supplying the Church with trained ministry leaders to fulfill the Great Commission, providing physical fitness opportunities, offering housing at a reduced cost, and supporting fundraising initiatives by the students presents an investment opportunity to invest \$195,000.

Wins

Graduates

Over the course of the 6 years of the leadership college program, C3 has poured into the lives of 38 students. C3 College graduated 13 students in May of 2016. These students were both local and from such areas as Columbia and Belize.

Enrollment

We currently have 13 students enrolled for the 2016-2017 school year. For the first time in C3 College history, we are offering a certificate only program in addition to our SEU partnership. We believe that by having more programs in place, C3 College will provide opportunities to a larger portion of the population who are seeking academic degrees, coupled with ministry experience.

Post-Graduate Placement

This May we plan to graduate five students with an associates degree in Ministerial Leadership from Southeastern University and one with a certificate of ministry from C3 College. Seven of our students will be returning in the fall to complete their degree. We have a 2016 graduate who will be returning to Lima, Peru for a two year internship with Camino de Vida.

College Lane Report – March 2017

Prayer

Staff

Pray for continued wisdom, clarity of vision and structure among the C3 College staff.

Students

Pray for the students as they round out their year. Pray for the discernment and wisdom for the second years as they graduate from the program and make choices about their futures. Pray for those students who are praying about joining the College in the fall.

Dream Team

Pray for those with an interest in the college who are attending Dream Team 4.0 each month to take a step of faith and join the team. We are specifically believing God for some event planners to help with graduation and the fall golf tournament.

Mission Trip

Please pray for the students as they take part in an international mission trip to Hope of Life in Guatemala. They will be building a home for a family and ministering to the children in the nearby village. The trip is May 7th-13th.
