Progress Report

Connect Group Serve Projects

This year, we are wanting to focus our attention on mobilizing our connect groups. I am working with Sarah Buss and a team to figure out how each month we can have a different connect group take ownership of a project. Ideally, this would eliminate burnout and create a stronger momentum towards buy in from a greater amount of people in our church.

Christmas Extravaganza

Christmas Extravaganza was on December 10th, 2016 and was a great way to serve and help provide Christmas to families who otherwise would not have Christmas. We had the opportunity to share the love of Jesus to many families around the triangle. On the day of, there were opportunities to serve within the kids zone, help parents shop for gifts and also help wrap gifts for the families we were serving.
