Progress Report

Backpack Buddies

Partnering with some of our spring Connect Groups, we were able to provide meals for 40 families at Cleveland Elementary over their spring break. These kids and their siblings rely on the breakfast and lunches served at their schools for quality nutrition and sustenance. However, during school breaks they often must go without. The Backpack Buddy program ensures that they will have breakfast, lunch, dinner and snacks while out of school.

Special Needs Easter Egg Hunt

This past March we had our annual Special Needs Easter Egg Hunt. We were able to host close to 50 kids and their families. We blessed them with a hunt, games, activities and lunch that included pizza, cookies, ice cream and cotton candy. Each child left with a prize bag and every parent received a gift bag that included one of Pastor Matt's *I Am* books and a gift card to Ugly Mug.

Connection Opportunities

Real Hope Series

This May we are going to have an entire month dedicated to serving our community both corporately and individually. Join us each Sunday, May 6-27th as we focus on a different group of people who are often overlooked and under appreciated. We will focus on first responders, orphans and widows, educators, and our military. Each week we will gather and take up items to bless these groups. We will also have individual outreach ideas so that we can scatter throughout the week and bless our community.

C3 College Evening Program

In partnership with South Eastern University we will be launching an evening program this fall. This program will help those who have full time jobs further their education while also getting valuable ministry experience through the practicum portion of the program. We will offer associate's and bachelor's degrees in general education, business and ministerial leadership. For more information on how to get involved, contact David Suarez (david.suarez@c3church.com).

Prayer

- Pray for God's favor on our Real Hope series. Pray that our community would be blessed and that they would know the love of Jesus through these practical outreaches.
- Pray for our C3 College and the launch of the evening program this fall. Pray for the C3 College staff as they begin planning for the 2018-2019 school year. Pray for wisdom for those who are interested in the program, but are unsure if it is right for them.
